v.

Defendants.

Civil Action No. 3:21-cv-259
(DCG-JES-JVB)
(consolidated cases)

**UNOPPOSED MOTION TO EXTEND TIME
TO FILE REPLY IN SUPPORT OF THE UNITED STATES' MOTION TO COMPEL
PRODUCTION OF TEXAS LEGISLATIVE COUNCIL DOCUMENTS**

Pursuant to Federal Rule of Civil Procedure 6(b), the United States respectfully requests that the Court extend by one week the United States' time to file a reply in support of its Motion to Compel Texas Legislative Council Documents, ECF No. 644. The United States met and conferred with the Texas Legislative Council ("TLC") regarding privilege assertions several times between October 13, 2022 and November 2, 2022. In its Response to the United States' Motion to Compel, TLC offered for the first time "to provide amended descriptions" of documents, to avoid the need for *in camera* review, TLC Response 11, ECF No. 661, and on December 5, 2022, the United States again met and conferred with TLC to discuss that offer. On December 6, 2022, TLC provided a revised privilege log, amending its document descriptions for several documents.

Good cause exists for a one-week extension of the United States' reply brief deadline, so that the United States may review the revised privilege log, consider whether TLC has established the attorney-client privilege with respect to the documents at issue, and potentially

continue to meet and confer with TLC in an attempt to narrow our areas of disagreement. The extension would make the United States' reply due on December 14, 2022. TLC does not oppose this motion and will not be prejudiced by the requested relief.

Accordingly, the United States respectfully requests that the Court grant the requested extension to file a reply memorandum in support of the Motion to Compel TLC Documents. A proposed order is attached.
